

**City of Los Angeles**  
**RECOGNIZED ELECTRICAL FIELD TESTING AGENCIES**

The electrical field testing agencies listed herein are administratively permitted to perform safety testing of following categories of unapproved electrical equipment installed in the City of Los Angeles, with review and approval of the tests by the LADBS. See Information Bulletin P/EC 2002-002 regarding "Procedures for Recognized Electrical Field Testing Agencies Performing Field Services," for notification and reporting requirements for field testing activities.
